“Hilarious”

“A page-turner”

*“Kids will dream of being
a Sword for Hire”*

National award-winner. A short, funny, exciting fantasy story about sixteen year-old Sam Hatcher and his adventures with a wisecracking guard, a good king, his evil (and very strange) brother, a beautiful girl, and the very scary “Boneman.”

Vivid, funny characters, surprising plot twists, and twenty-four short, action-packed chapters make this a fun read for readers from age 9 to adult. Also a great confidence-builder for young readers that are intimidated by Harry Potter-length books, and a great book to read to a child at bedtime. It's a must-read—for kids and adults.
